Welcome to the 2024 Sandia Blade Workshop!

We are excited to invite you to beautiful Albuquerque, New Mexico! Before you plan your visit, we would like to share a few notes to help make your time in Albuquerque even better.

For the detailed agenda, check out the 2024 Sandia Blade Workshop page on [Eventbrite](#).

Getting there

If you are flying into Albuquerque, you will be landing at the [Albuquerque International Sunport](#). Albuquerque does not have a large taxi or public transportation presence, so we recommend:

- Rideshare services Uber and Lyft. There is a dedicated ride share location on the Bag Claim Level at Door 7.
- Rent a car by visiting the [Rental Car page](#) from the Sunport's site.
- Review additional [Ground Transportation](#) information on the Sunport's site.

The event will be held at the [Embassy Suites by Hilton Albuquerque](#) located at 1000 Woodward Place Northeast Albuquerque, NM, 87102. We have included directions and a map for you at the end of this document to get you to the hotel from the airport. It is less than 10 minutes away!

Weather

Keep in mind that Albuquerque's high altitude (5,300 ft. above sea level) and semi-arid climate make it easy to dehydrate. Please remember to drink a lot of water. If you decide to enjoy a day outside, don't forget hats, sunscreen, or an umbrella. We also recommend wearing comfortable clothing if you plan to enjoy a hike through our beautiful Sandia Mountains.

In September, temperatures average in the low 80's (Fahrenheit) during the day and in the high 50's (Fahrenheit) at night.

Check out Albuquerque's weather before you arrive on [The Weather Channel](#).
